

**MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION**

AVIATION MANAGER

JOB DESCRIPTION

Employees in this job direct the work of professional subordinates. The employee, under general supervision, works within general methods and procedures and exercises considerable independent judgment to adapt and apply aviation guidelines to specific situations, as needed. The work requires thorough knowledge of the policies, procedures, and regulations of aviation safety programs and some knowledge of managerial techniques and personnel policies and procedures. The employee may be required to transport self and other state officials in aircraft.

There are three classifications in this job. The classification level is determined by the application of the Professional Managerial Position Evaluation System.

Position Code Title – Aviation Manager-1

Aviation Manager 13

The employee functions as a first-line professional manager of professional positions in a standard work area, a first-line professional manager of a professional position in a complex work area, a first-line professional manager of nonprofessional positions in a complex work area, a first-line manager of a professional position in a standard work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a standard work area receiving executive direction.

Position Code Title – Aviation Manager-2

Aviation Manager 14

The employee functions as a first-line professional manager of professional positions in a complex work area, as a first-line professional manager of professional positions in a standard work area receiving executive direction, a second-line professional manager of professional positions in a standard work area, a first-line manager of a professional position in a complex work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a complex work area receiving executive direction.

Position Code Title – Aviation Manager-3

Aviation Manager 15

The employee functions as a first-line professional manager of professional positions in a complex work area receiving executive direction, a second-line professional manager of professional positions in a complex work area, a second-line manager of professional positions in a standard work area receiving executive direction, or a third-line professional manager of professional positions in a standard work area.
